---

To Whom It May Concern;

The Grande Prairie Broncos Football team has started their 2022 season and we have adopted a program that will help companies and players alike to participate.

Adopt a Bronco is designed to give companies an opportunity to sponsor a player's registration fees and in doing so companies are giving a player in need an opportunity to participate in a sport activity. The level of sponsorship also allows companies to donate at a smaller level, while still knowing that they have given a player the opportunity to participate. This level of commitment has been set at \$300.

In turn, the sponsoring company will have their logo put on the Broncos' website ([www.gpbrancos.com](http://www.gpbrancos.com)) as well as acknowledgment at our annual parent night fundraiser.

The GP Broncos Team thank you for your time and consideration to our Adopt a Bronco program. Please direct any questions to our Board Member listed below.

Thank you for considering this partnership. We look forward to hearing from you.

Sincerely,

Jodianne Noel
